Course Duration: 3 Months

AboutUsø

Founded in 2024, Ascend Academy was born from a vision to empower individuals from all walks of life to achieve their goals and build a future in the ever-growing world of digital marketing. From students and homemakers to entrepreneurs and freelancers.

We've proudly created 120+ success stories

through our transformative Digital Marketing Programs.

As the training wing of **Techsche**, a leading digital marketing brand with over six years of industry expertise, Ascend Academy blends real-world experience with innovative learning. Every course from foundation to advanced is crafted to inspire growth, boost confidence, and ignite a successful career path.

Our motto is simple yet powerful — to support career builders, entrepreneurs, and homemakers in achieving their dreams and leading their professional journeys with purpose

At Ascend Academy, learning goes beyond theory. With 100% hands-on training, live projects, and industry-level mentorship, our learners gain practical exposure and real-time insights into the digital marketing world. Our dedicated internship programs, placement support, and personal guidance ensure that every learner steps out as a skilled, confident, and job-ready digital marketing professional.

Ascend Academy isn't just a place to learn it's where your digital future begins
